*(All venues are subject to change before the Games)*

**Classification**

Each athlete **MUST** have a classification according to his or her functional ability to allow fair competition between athletes with similar abilities. The adult international classification systems are utilized. All athletes must have classifications at the international, domestic national, regional or **provisional** level to compete at the Dixie Games. A **provisional classification** is for those athletes who do not have an existing classification. The coach is responsible for reviewing the classifications for the sports to be contested in the appropriate rulebook and list the classification that best meets the profile for the athlete. **US Paralympic National Classification will be available for Track and Field only.** You must schedule an appointment for this through the Meet Director Randy Chiavaroli call 727-271-6411.

## Registration

The registration fee is \$75 for athletes and \$25 for coaches and will include the event promotional item, competition entry fees for all events eligible to compete and 1 lunch on Saturday. Parents/family can pre-purchase additional lunches for \$10. **They must be pre-ordered so the proper numbers are available.** They will **not** be available to purchase during check-in. **The lunch will be served at Veteran's Memorial Park**

An **athlete summary** form to confirm your registration and what is missing will be emailed to you. **All** items must be resolved by the registration deadline date (**postmarked by April 26, 2017**). **Late registrations will be assessed a \$30 late fee.** All athletes must be **checked-in** by 12:30 PM, Friday, May 12th or they will not be eligible to compete **unless prior arrangements have been made.** Athletes may be checked in by their coaches. Events will be heated based on classification, age division, gender and qualifying times. Due to limited numbers in some events various classifications and age group athletes may be heated together if qualifying times are competitive in order to expedite the running of the competition. However, placements will be based on classification, age and gender where applicable. Athletes can participate in a maximum of 7 individual swimming events with only 1 IM event allowed.

**When reporting to registration check-in coaches/athletes will be expected to verify by initialing each athlete's events, classification, date of birth, and gender. THIS IS YOUR LAST OPPORTUNITY TO MAKE CORRECTIONS UNLESS IT IS THE ERROR of the Local Organizing Committee.**

### Junior Age Divisions

Competitive age for junior events is determined by the athlete's age by year of birth.

<b>Dixie Futures</b>	Ages 5-6
Under 11	Ages 7-10
Under 14	Ages 11-13
Under 16	Ages 14-15
Under 18	Ages 16-17
Under 20	Ages 18-19
Under 23	Ages 20-22 with the exception Weightlifting is 19-23

**Dixie Futures Events** will include: 20m, 60m, softball, sponge discus, & turbo javelin

### Medical Forms

**Each coach should have in their possession a medical form on each athlete in event of an emergency. These forms will not be collected this year by the Games Committee.**

### Dress Code

All athletes will be expected to dress according to the rules of competition. It is the **responsibility** of each athlete to know the dress code for each event in which they wish to compete. Failure to comply could result in possible DQ according to National Governing Body rules.

### Sport Rules

The rules for each US NGB will be enforced during all events. All competitors are expected to know the rules of each sport in which they compete. **The honest effort rule** will be in effect for the Dixie Games. In other words, if the Referee determines that an athlete intentionally missed an event without scratching the night before at the coaches meeting and does not have a medical reason for scratching, he/she can be disqualified from all remaining events in that sport.

## Equipment

Helmets will be required for **all** wheelchair track events and **all cyclists**. Athletes will be expected to bring their own competition equipment including racing chairs, cycles, field chairs, helmets for track; bows & arrows for archery; etc. All other equipment, such as field implements will be certified and provided by the **LOC**. **Athletes with personal implements must present all implements at Veteran's Memorial Park or Track equipment trailer for weigh-in one hour prior to start of the competition.** They will then be available for all athletes to use in the specific field pit. They will not be returned until after the competition is over and the results verified in case it needs to be reweighed and measured for records.

## Protest

A protest procedure will be in effect for the **Dixie Games**. A **\$50 filing fee** will be required when submitting the protest. Protests must be submitted according to the appropriate sport rules. This filing fee will be refunded if the protest is upheld or the fee will be forfeited if the protest is declined.

## Conduct

The Local Organizing Committee reserves the right to withdraw an athlete from further competition for profanity, abusive behavior or other inappropriate conduct. Absolutely no alcohol or tobacco (including E-cigarettes) is to be used in the competition area by athletes, coaches, support staff, parents, or spectators.

## Results/Awards

A certificate of official results for each athlete and the entire results will be emailed to the coaches the week following the competition. In addition the final results will be posted on the **[www.dixiegames.com](http://www.dixiegames.com)** website. **Spirit of Excellence Awards** will be provided to male/female adult and junior athletes at the conclusion of each venue. Selection is based upon effort, sportsmanship, knowledge of the sport, and being a role model.

## Transportation

**Each team/individual will be responsible for their own ground transportation between the airport, hotels and venue sites.**

## Weather Concerns

**Pasco, Florida, could be hot in May!** Daytime temperatures can rise above 90 degrees during mid-day. Humidity levels can be as high creating very uncomfortable conditions. Bring a hat with you, limit your time in the sun, and drink plenty of fluids. The **LOC** will provide appropriate shade for staging and plenty of water. Some sunscreen will be available at the medical tent. Bottled water will be available at all competition venues. Head of delegations should plan to bring or purchase **shade tents for their individual teams**.

## Restrooms

Accessible restrooms will be available at each venue. Catheter bags are to be emptied in the restrooms only. Due to the heat and humidity athletes are expected to bag and tie their disposable hygiene items prior to disposing of them in the waste receptacles.
